Scales and chords

As soon as you know a major scale you also know the chords. This is because you can randomly choose three different notes from a scale and you will get a triad ([learn more about chords](#)). For example: in the key of C the standard chords that are used are:

- C Major (notes: C - E - G)
- D Minor (notes: D - F - A)
- E Minor (notes: E - G - B)
- F Major (notes: F - A - C)
- G Major (notes: G - B - D)
- A Minor (notes: A - C - E)
- B Diminished (notes: B - D - F)
